

How to join a European consortium, step by step

O

**To achieve a Good
positioning in the European
Innovation ecosystem**

GOAL

1

In which topic do we fit best?

2

**Look for the project drivers
in the past, the active
partners, the most relevant
actors, those best
positioned and contact
with them**

contact

3

Demonstrate your differentiating value

Capacity

Access to resources, technologies, availability of qualified and skilled personnel, capacity to manage R&D projects.

Experience

Previous experience in R&D projects, knowledge and application of techniques and methodologies, ability to innovate, develop and propose ideas

Structure

How is your internal structure and organization for carrying out R&D activities. How are your R&D teams, areas structured, roles, responsibilities, allocation of financial and material resources?

4

Your performing in the first Project is key

Kaila

Our intelligent platform

Kaila is a platform developed by Zabala Innovation to boost innovation ecosystems in Europe.

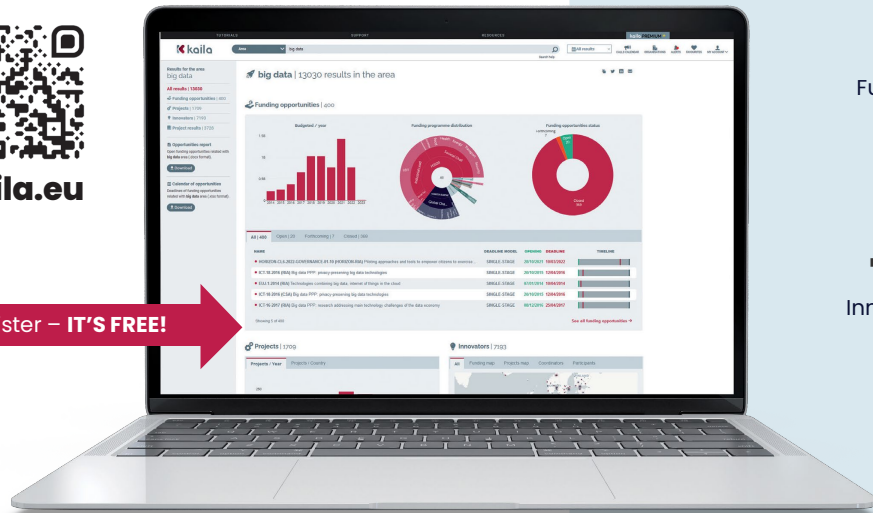

It integrates the main EU open data sources in a single environment.

It offers tools to analyse innovation trends and exploit data on innovation projects approved in Europe.
